

## TOUR DE HERO DONOR/SPONSOR CARD

Save Lives for the Holiday Season!  
Announcing the 5<sup>th</sup> Annual Tour de Hero Bike Ride!  
**Saturday, January 24, 2015**

**Thank you for supporting Arizona hospital patients by donating blood in the name of a Tour de Hero rider!**

Blood donors help kids like Madison, who is alive today because of nearly 150 blood donors. The Chandler 7-year-old was born with Diamond Blackfan Anemia, a rare disease that prevents her body from producing red blood cells. She relies on the kindness of strangers to provide lifesaving blood transfusions about every three weeks at Phoenix Children's Hospital. Nov. 1 – Jan. 10 blood donors will help kids like Madison and support the efforts of Tour de Hero cyclists.

- Rider:** Add rider's name below and give a copy of this card to each donor. The number of donors giving in each rider's name will be tracked by United Blood Services and details will be provided on Jan. 24 at Tour de Hero check-in.
  - ✓ **Riders Only:** Riders may earn credit for their own Nov. 1 – Jan. 10 donation at any blood drive or donor center. Cards are only accepted at donor centers.
